

Solar Powered Megapixel Wireless Camera System

Work Zone Cam delivers cost-effective, heavy duty, completely self-contained solar / battery powered construction cameras.

- A complete pre-wired system
- Nationwide installation support
- Ideal for isolated, "no power" zones
- Freedom to place anywhere
- Fully autonomous
- In stock, fast delivery
- Includes camera and 3G wireless modem
- 6.3 megapixel images - 3088x2056 pixels
- High efficiency silicon photovoltaic array
- AGM maintenance free batteries
- Fused, circuit breaker and surge protection

Work Zone Cam solar systems are calibrated to utilize the maximum sunlight available in your area. The 12 volt DC system uses only 15% of the power demands of non-solar systems. Each system undergoes rigid quality control testing before shipping.
